

Read This First - Instructions for Downloading Audi SSP Library App (Android Version)

Version 1.0 (1)

7.87 MB

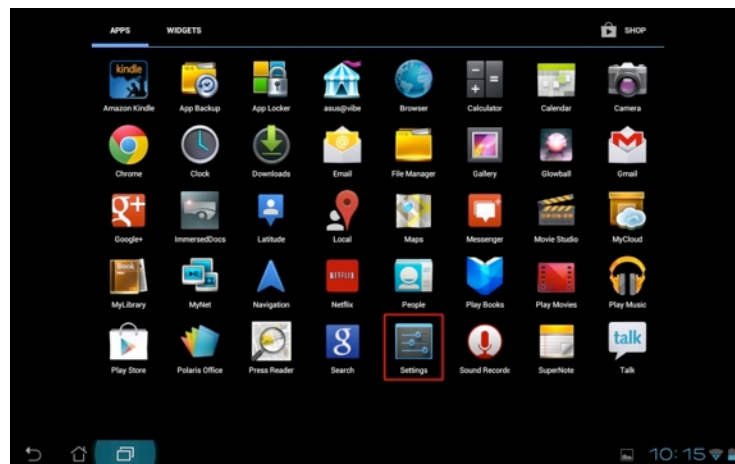

Release Notes

ImmersedDocs App only downloads data when the app is open and when the screen is not locked. Turn off Auto-Lock on your device before connecting to and downloading the Audi SSP Library.

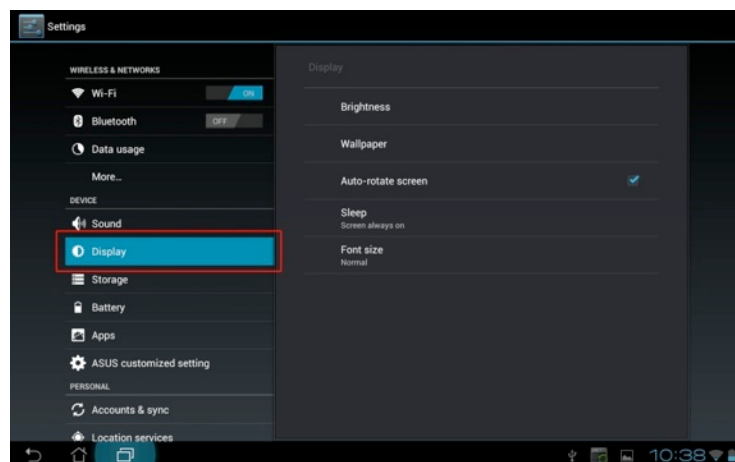

Note: depending on the device you are using, the instructions below may vary.

Turning Off the Auto Lock

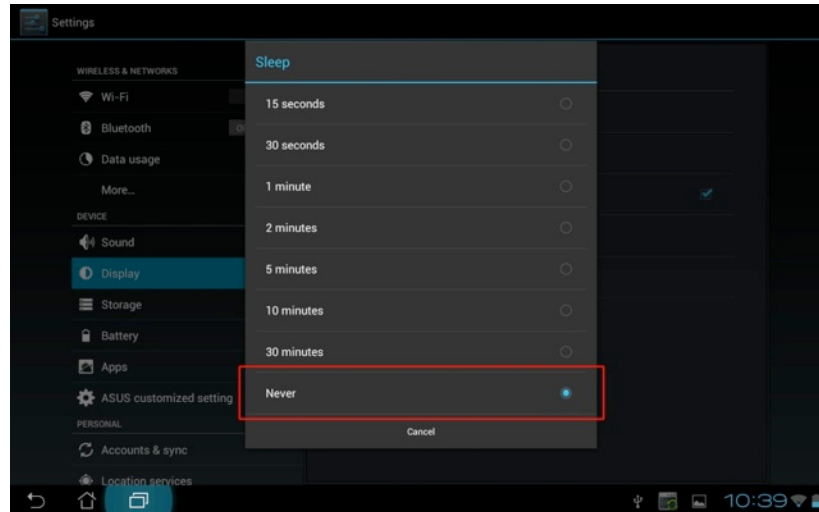

1. Select Settings

2. Select Display

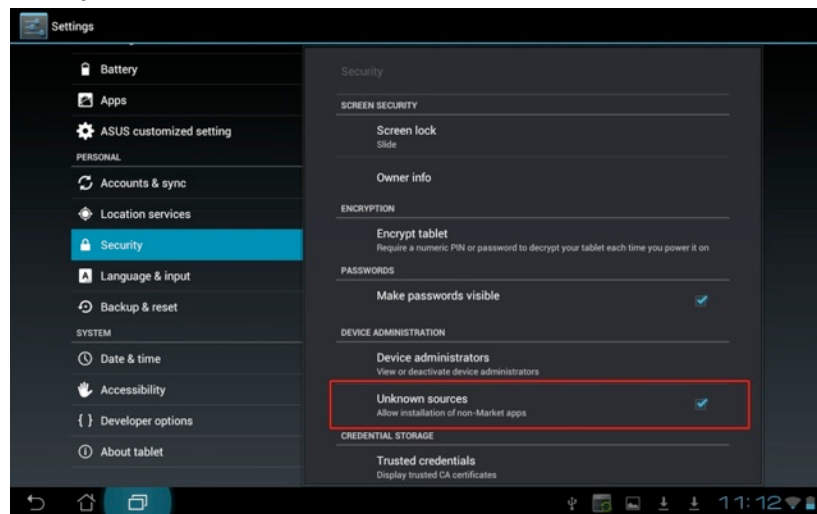

3. Select Never

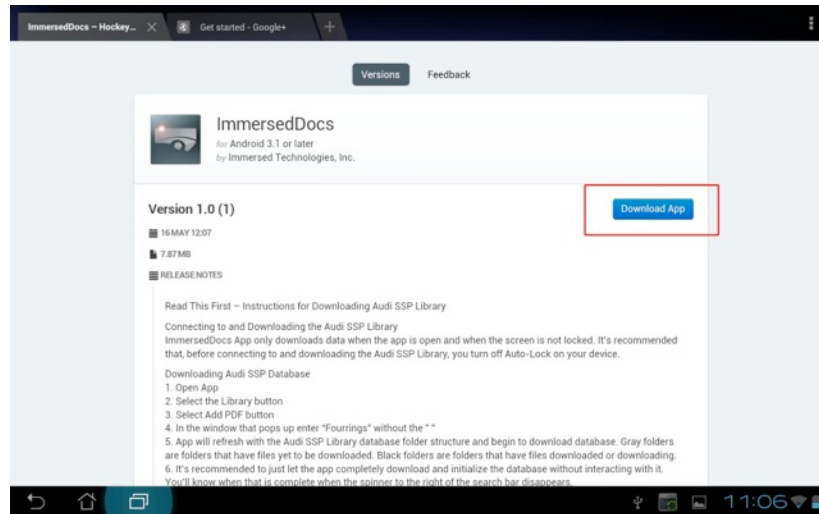

Downloading the Audi SSP Library App

1. Access the following link on your Android tablet: <http://tinyurl.com/kdb2pg9>
2. In the Security tab, you may need to select Unknown Sources in order to download directly from the link above.

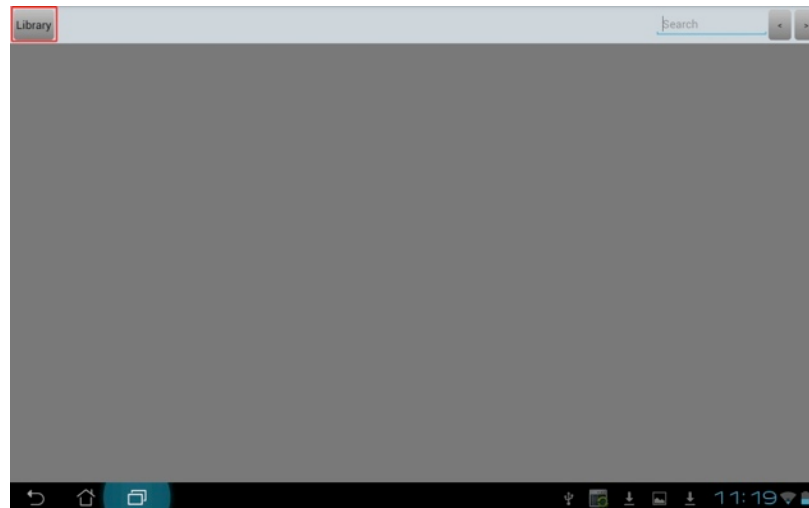

3. Then select Download App

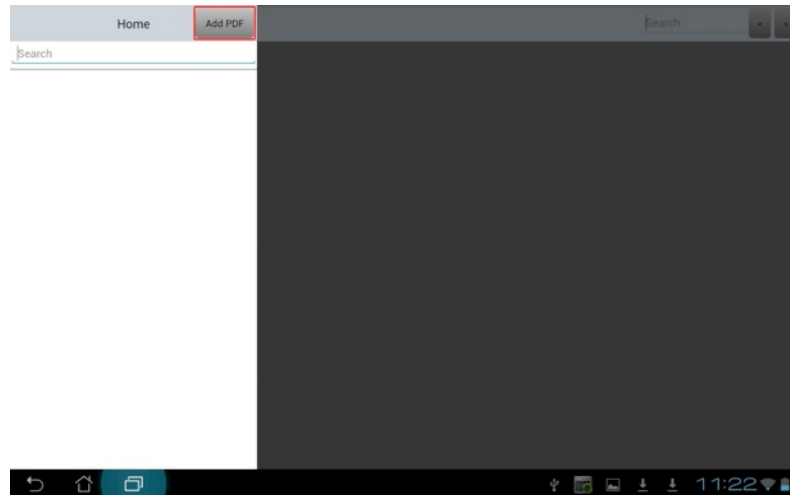

Downloading the Audi SSP Database

1. Open the Immersed Docs App

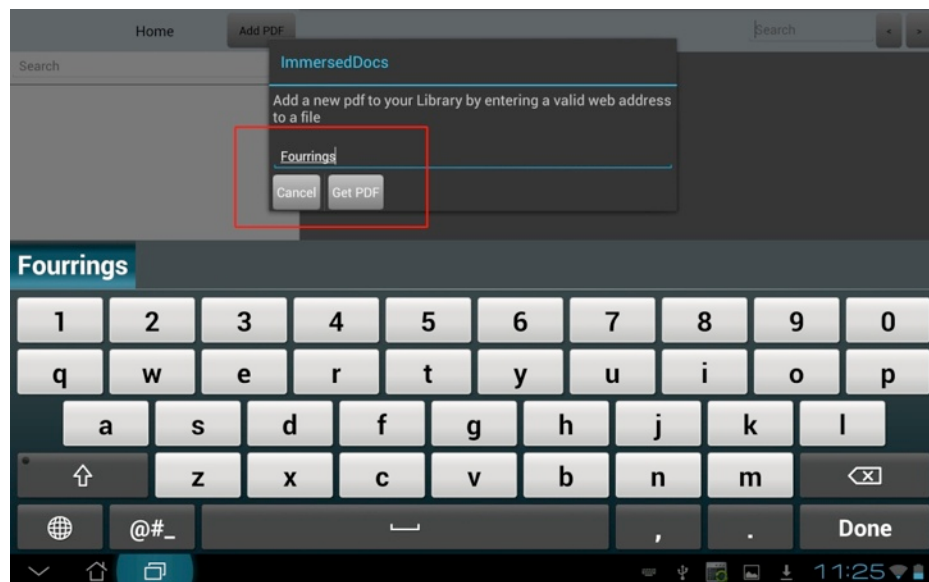

2. Select the Library button

3. Select Add PDF button

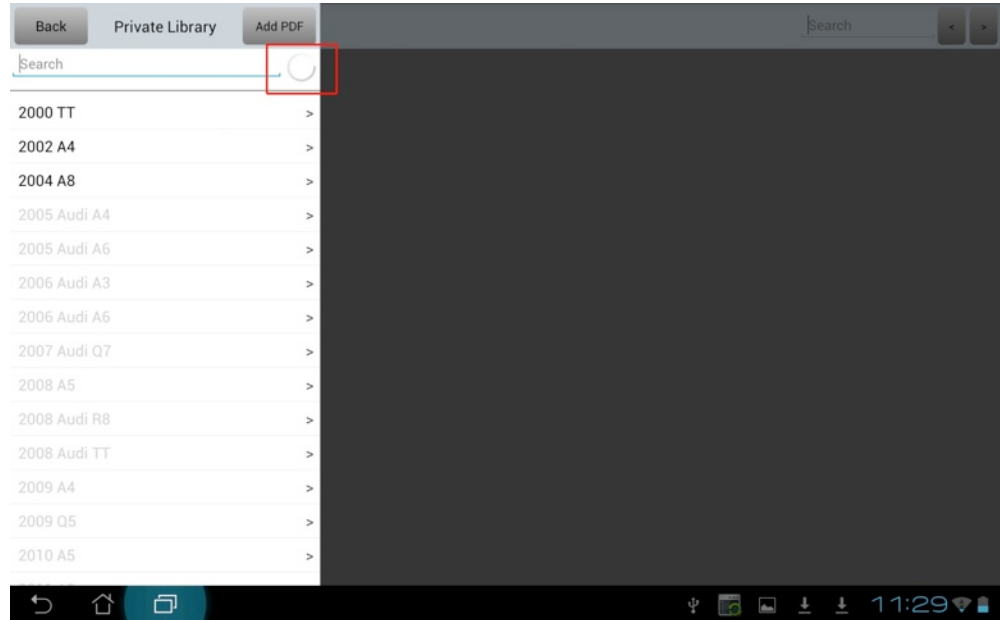

4. In the window that pops up enter “Fourrings” without the quotation marks, and then select Get PDF.

5. The App will refresh with the Audi SSP Library database folder structure and begin to download the entire SSP Library database. Gray folders are folders that have files yet to be downloaded. Black folders are folders that have files that have been downloaded or are currently downloading.

6. We recommend that you let the app completely download and initialize the database without interacting with it. You'll know when that is complete when the spinner to the right of the search bar disappears.

Description

ImmersedDocs allows you to easily access, read, and manage PDF documents on your iPad. With ImmersedDocs, you can quickly open PDFs from email, the web, as well as other sources such as Dropbox using the 'Open In' feature.

ImmersedDocs has the following unique search features:

- ▶ Allows you to quickly search for specific content within all of the SSPs using keywords
- ▶ Displays all documents containing the matching keywords
- ▶ When a specific PDF document is selected, ImmersedDocs passes the keyword to the selected PDF document and further displays the specific pages where the keyword is found
- ▶ Automatic download of new SSPs and updated SSPs as they become available

The Audi Academy is committed to constantly improving its mobile app and plans on adding new features for greater usability in the near future.
